

# Swiss Rebate Programme Commercial Plug-in Refrigerators and Freezers

Swiss cities, cantons and utilities, with significant financial support from the Swiss Federal Office of Energy, grant rebates for energy efficient refrigerators and freezers. The aim is to save at least 42 million kilowatt-hours. Everyone who procures eligible products (from small restaurants to international food and drink companies) can profit from a rebate of up to 25% of the purchase price.

**How to get rebates?** Send in the form with proof of purchase stating model, refrigerator and address where it is used. The rebate will be transferred to your bank account.

The programme runs until 30<sup>th</sup> September 2017 or until the funding is used up. Make sure to participate no later than 6 months after the purchase. Last possible submission date is 30<sup>th</sup> September 2017.

**How to get products listed for eligibility?** Submit the product information to Maïke Hepp, gewerbe (at) topten.ch, 0041 44 545 30 99.
